Any customer who cannot pay back a delayed deposit transaction when due may elect once in any twelve-month period to repay the transaction by means of an extended payment plan ("EPP"). To request an EPP, before the due date of the outstanding transaction, a customer must request such a plan and sign an amendment to the delayed deposit agreement that reflects the new payment schedule and terms.

Customer Notice: There are a wide variety of financial products available in the marketplace, so your product choice should match your financial needs.

Payday advances used over a long period of time can be expensive. The examples above are based on 14-day payday advances. APR will increase for a term shorter than 14 days and decrease for a term longer than 14 days. Please see your Delayed Deposit Services Agreement for disclosure of APR, as well as all other terms and conditions associated with your payday advance. A fee of \$15 may be applied for a returned item. Additional terms and restrictions may apply. See store for details.
