

FACTS	WHAT DOES QC DO WITH YOUR ONLINE PERSONAL INFORMATION?
--------------	---

Why?	Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.
-------------	--

What?	<p>The types of personal information we collect and share depend on type of loan product you are requesting from us. This information can include:</p> <ul style="list-style-type: none"> • Social Security number and income • transaction history and overdraft history • employment history and checking account information • credit history and credit scores • cookies and other technologies obtained through the website as described below
--------------	--

How?	All financial companies need to share customers’ personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers’ personal information; the reasons QC chooses to share; and whether you can limit this sharing.
-------------	---

What do we do	
How does QC protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. We use SSL encryption when you enter personal information in our forms. Look for the padlock icon in your browser indicating a secure form. Otherwise, we do not use encryption.
How does QC collect my personal information?	We collect your personal information, for example, when you <ul style="list-style-type: none"> • open an account or give us your income information • pay us by check or provide employment information • show us your government-issued ID • fill out an online loan application • otherwise inquire about our loan products We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing?	Federal law gives you the right to limit only <ul style="list-style-type: none"> • sharing for affiliates' everyday business purposes – information about your creditworthiness • affiliates from using your information to market to you • sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing.
What happens when I limit sharing for an account I hold jointly with someone else?	Your choices will apply to everyone on your account – unless you tell us otherwise.
